KEEPING IN TOUCH WITH OUR CANDIDATES

Hello and welcome to the first edition of our monthly newsletter. We hope to keep you up-to-date with the latest recruitment news and what's happening at Laura Hartley Recruitment HQ.

As this is our very first newsletter, we would encourage any feedback regarding content and what you would and wouldn't like to see in future editions.

Laura Hartley and Karen Jones make up the team at Laura Hartley Recruitment.

2011 was spent getting out and about, promoting the business and raising awareness of our services. There has been a lot of hard work, but time well spent, and we even managed to get glammed up on a couple of occasions, firstly for the Red Rose Awards 2011 which were held at the Winter Gardens, Blackpool and attended by over 600 guests. We sponsored the small business award and were shortlisted for the new business award.

We also got involved with the NSPCC, organising a masquerade ball at Stanley House where we raised over £3,000 for a really good cause.

We also supported charities@SAMS, which encourages employers to put something back into their communities. For their 2011 Christmas Wishes appeal, we collected over 200 Christmas gifts, which were then distributed to local charities that support less fortunate families. A big thank you goes to all our colleagues, family and friends who contributed. Look out for our 2012 Easter campaign.

Finally, we 'enjoyed' a soggy weekend camping in the Lakes. Putting up the tent was helped along with a glass or two of vino!!!
